

Compensation Guidelines

The Unitarian Church in Summit is proud to be [a fair compensation](#) and [fair share congregation](#).

We believe in living our values both outside and within our congregation. We compensate employees as per [UUA fair compensation guidelines](#), offering all employees benefits such as health insurance, pension, and paid vacation time.

We are also proud to support the UUA, Metro NY district and UULMNJ by paying our [fair share](#) to our denominational bodies, all of which continue to work to promote Unitarian Universalism.
